OAK PARK ELEMENTARY

This Special Book
Belongs to:

Colton Paine
(signature)

I am in the fourth grade grade.

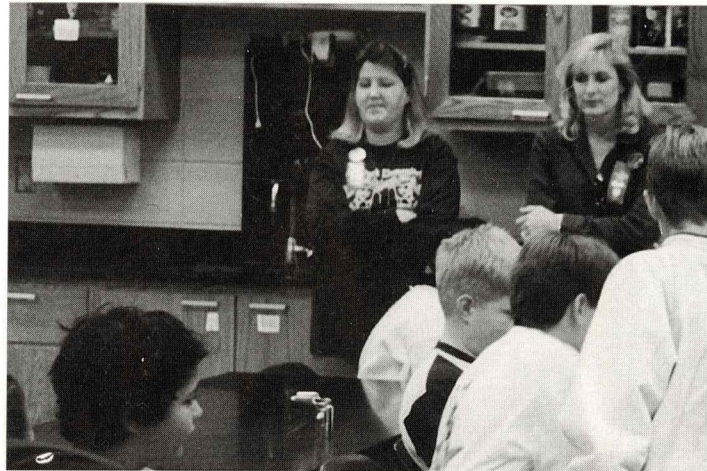

I am 10 years old.

My teacher's name is Ms. Crawford.

My favorite subject is Math.

Here are some of the special things we did this year _____

Dedication

Joan Ryan 21 Years

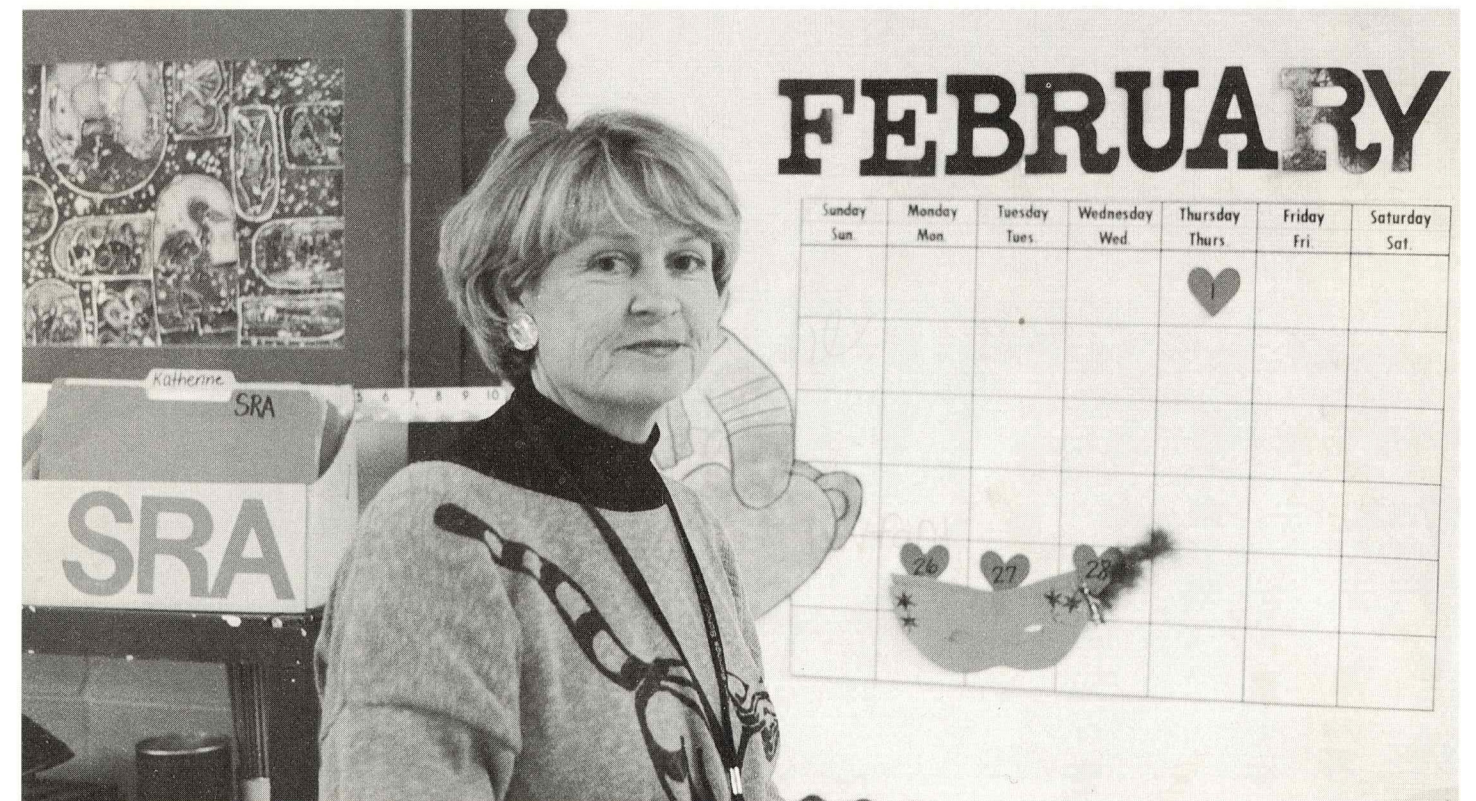

Beth Stone 6 Years

Administration

Julia Platt, Principal

Vicky Mitchell, Head Teacher

Oak Park Faculty and Staff

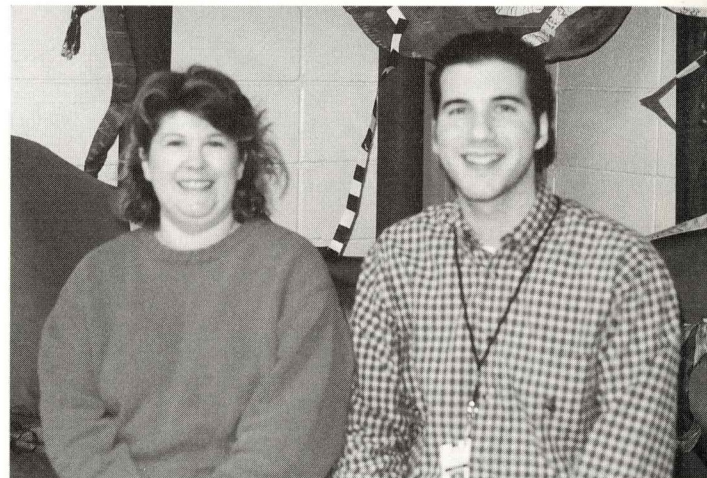

Sharon Zellner, Office/Library Asst., Denise Creel, Secretary, Rhonda Thompson, DMO, Gayle Manning, ISI.

Coach Gavin Lott, P.E., Brenda Baumeister, Computer, Pam Rogers, Counselor, Amy Carter, Library, Rene' Bennett, Music, Deborah Brady, Art

TITLE 1
Linda Holthorf, Asst., Lisa Abney, Asst., Jan Greenfield, Asst., Wanda Smithie, Teacher

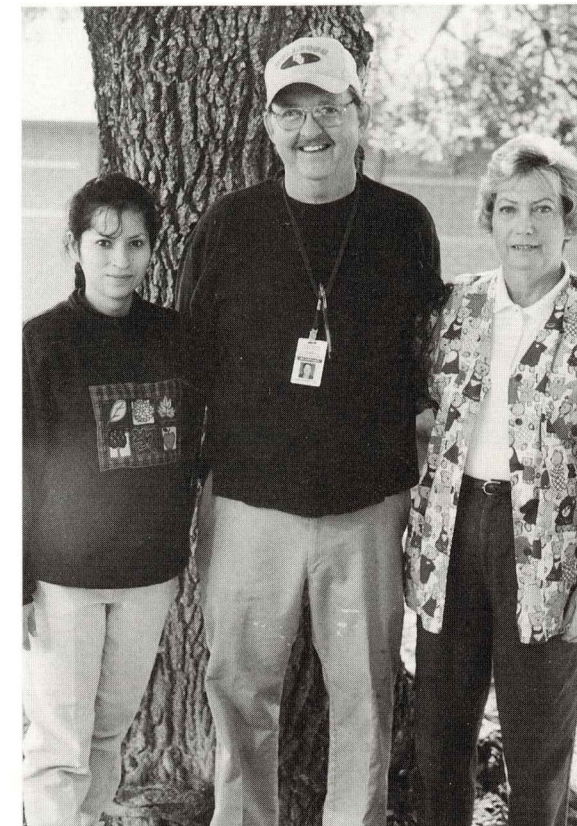

ENRICHMENT
Kim Everett, Patrick Quinnelly

SPEECH
Linda Peters, Delores Eubanks

SPECIAL SERVICES
Angela Crimm, Teacher, Stacey Travis, Asst., Teresa Barnes, Asst., Sherry Kendall, Teacher

Luz Sanchez, Housekeeping, Carl Wyatt, Maintenance, Pat Kehoe, School Nurse.

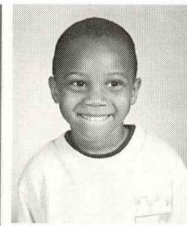

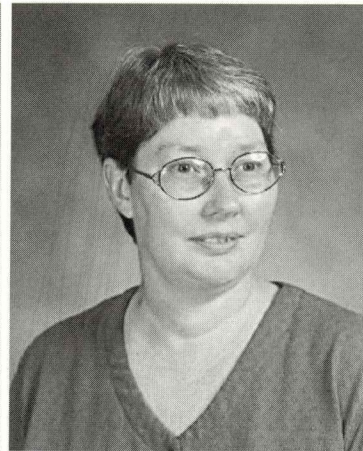

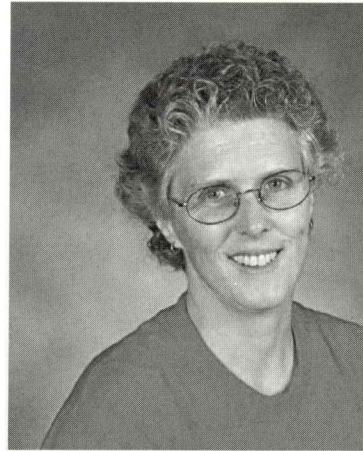

Jean Dickerson, Karin Hall.

Our World awaits THE ARTS COURTYARD

The children of Ocean Springs will soon experience "The Arts Courtyard." There will be a greenhouse, a geological "cracked earth fog" element surrounded by colored cement with fossil imprints in ceramic tiles. An elevated stage will be built for classes to have time for storytelling, role-playing, puppet shows, and will provide a great setting for our guest speakers.

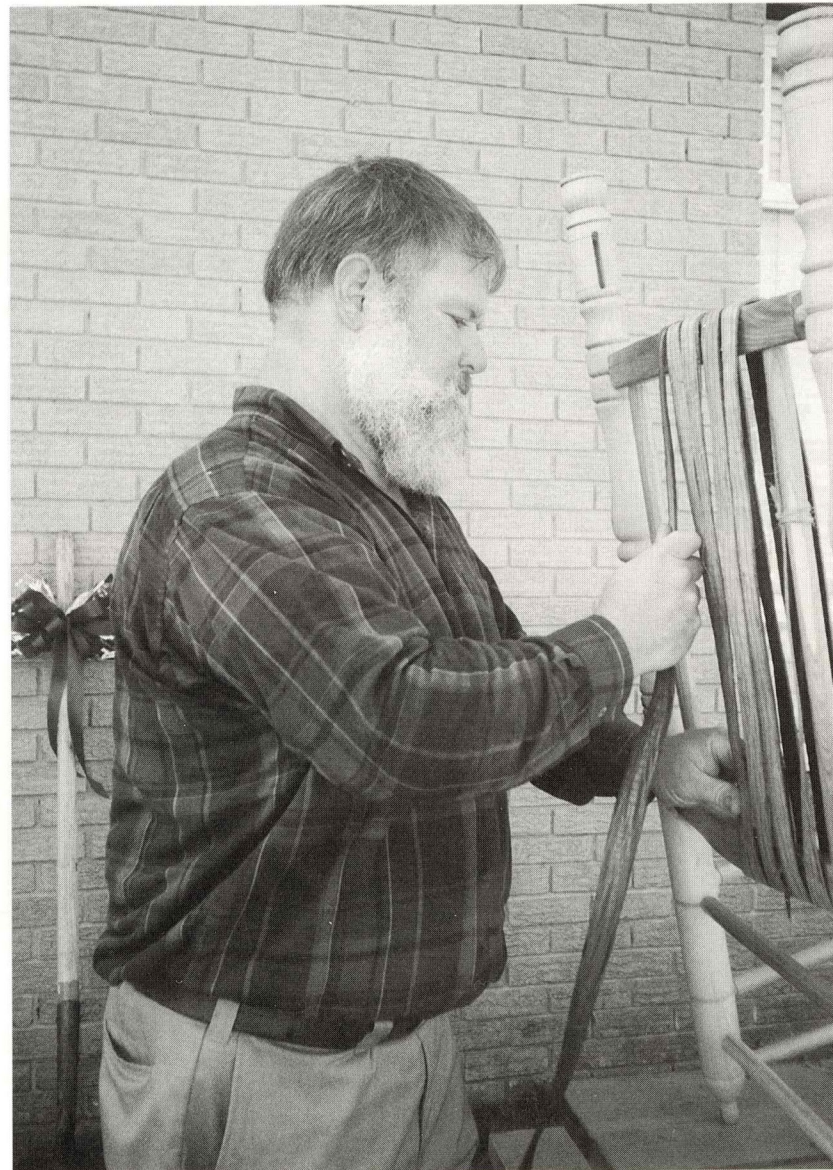

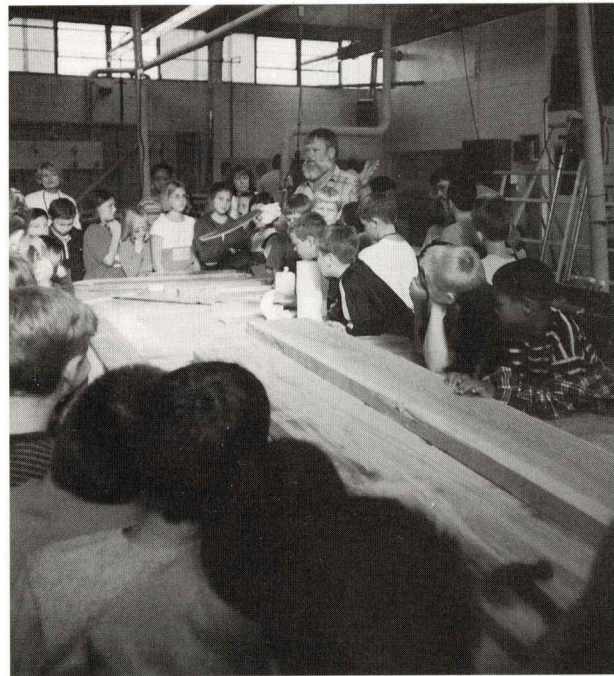

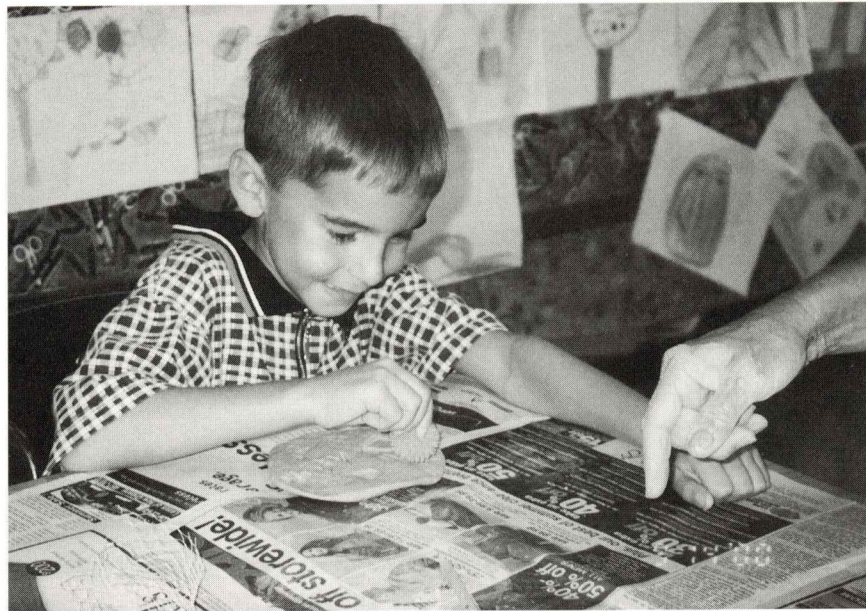

A special area will focus on pre-historic times and the creation of energy and life. Here science, ecology, and geology will come to life. Free standing art panels, showing local lore and featuring Walter Anderson motifs, will inspire children to be creative. Finally, on the historic pathway, columns designed from Roman, Greek, Asian, Islamic, Mayan, and African civilizations can be seen.

In the outdoor classroom, hardwood tables and benches handmade by master woodworker Greg Harkins were built. Local ceramic artist, Chris Johnson taught art lessons with clay tiles and helped the children make impressions using leaves, shells, and fossils. Many different gardens will be planted to feature native plants and show wetland areas. Students of Oak Park, surrounding schools, and our community will benefit from the beauty of "The Arts Courtyard."

Artist Chris Johnson/Woodworker Greg Harkins

K.I.D. Teams

Kaleidoscope of Investigating and Discovering (better known as K.I.D. Teams) is a project with a school-wide theme. The children have been busy this school year discovering facts about their environment, community, culture, and the arts.

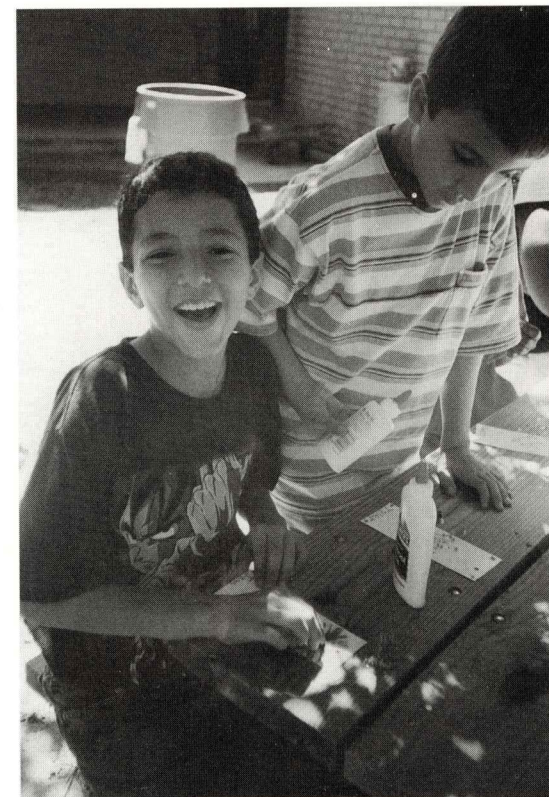

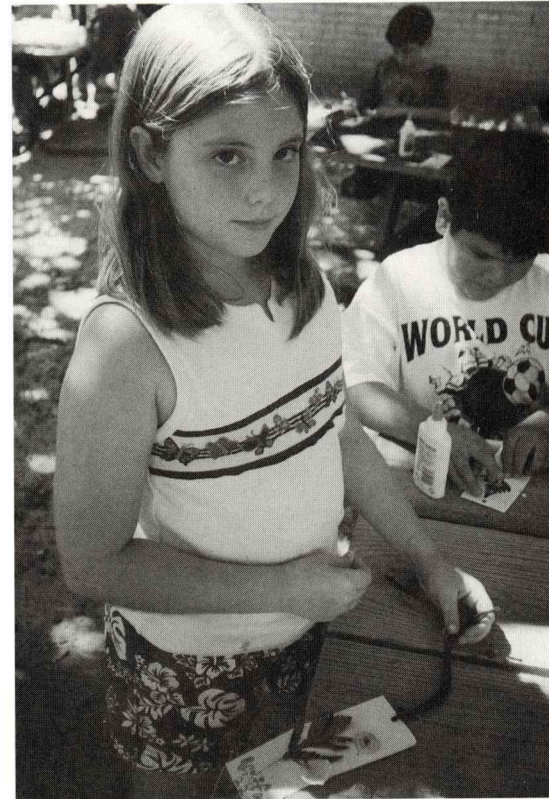

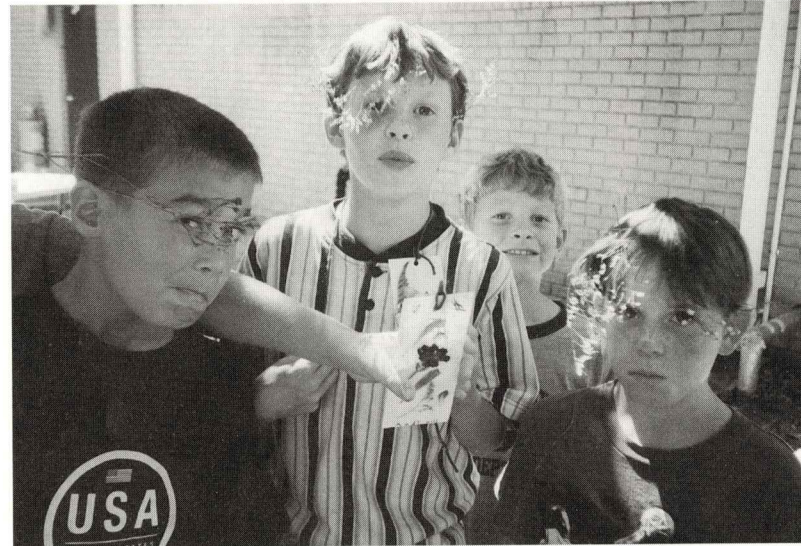

Objectives, goals, and activities were planned and taught during each nine weeks. In the once a week meeting, students were divided into teams with all age groups working together. Many people from our community helped make our K.I.D. Teams a great success.

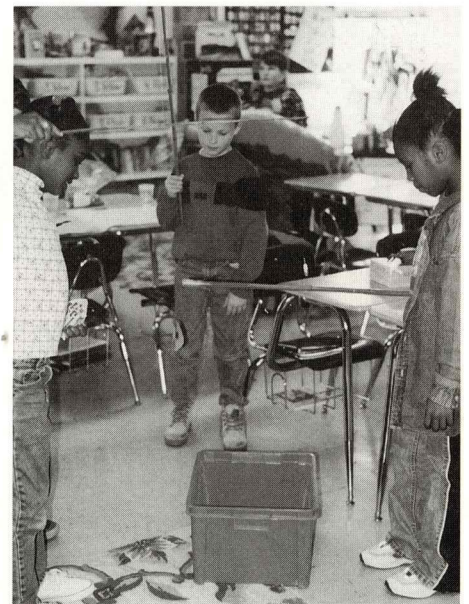

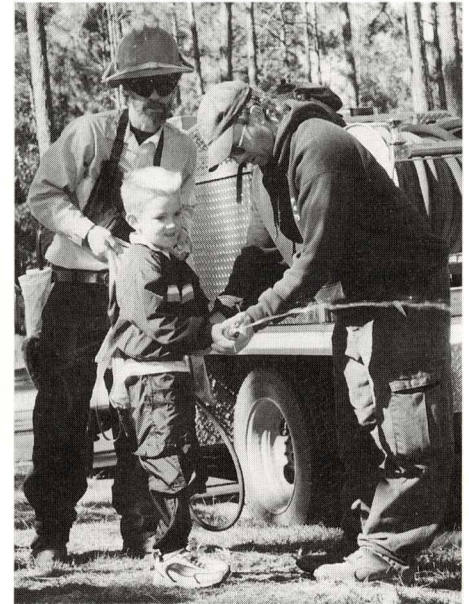

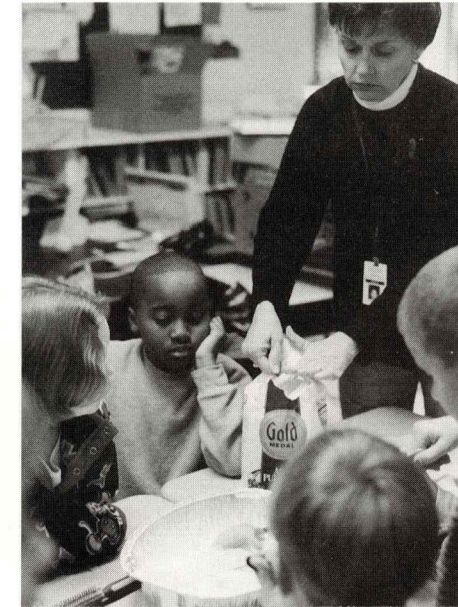

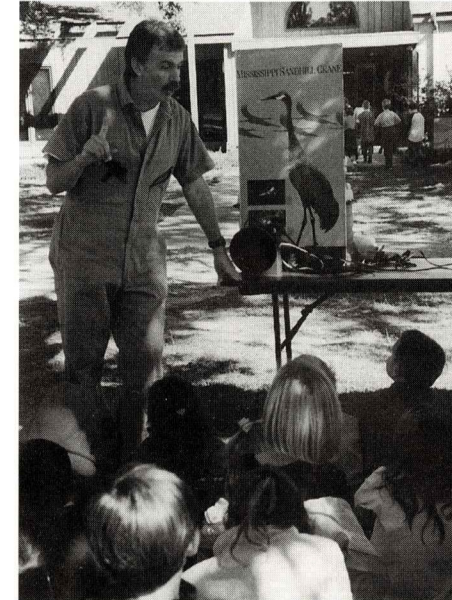

K.I.D. Teams will be back bigger and better next year.

Have you heard the news?

Have you heard the latest?

Mrs. Conley is having triplets,

And it's the greatest!

It won't be one, and it won't be four,
but three will be knocking on her door.

Three to rock, three to change, three to feed,
It's a feat indeed.

Oh me! Oh my! Oh what to do!

She'll need diapers from me and you.

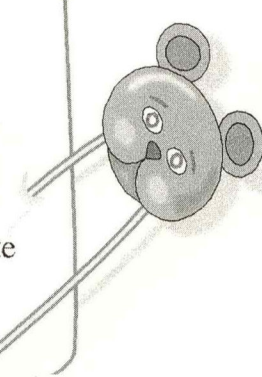

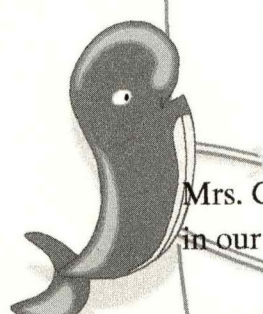

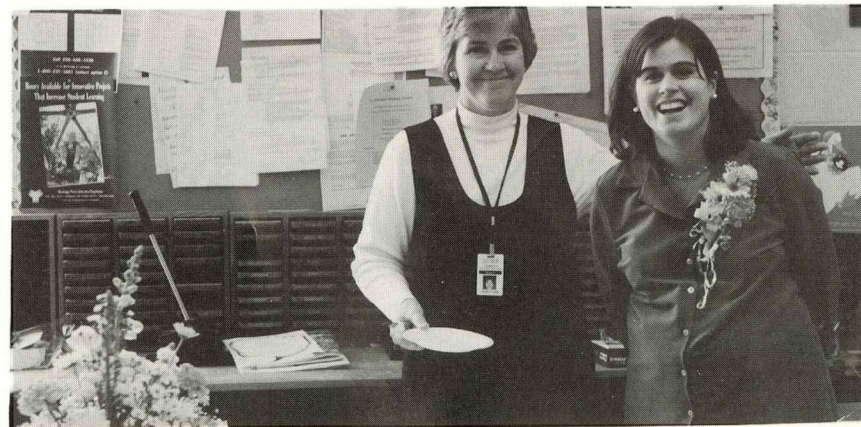

Oak Park is sponsoring a school diaper drive.

It will benefit Mrs. Conley and her new tribe.

We can help her out and learn math too
As we estimate, graph, and count the diapers from
you.

Any brand, any size, we'll appreciate much,

The babies are coming, so send in a bunch.

Mrs. Conley is a third grade teacher at Oak Park. If you would like to participate in our diaper drive, please send packs of diapers to school.
